PROFILE

I'm a passionate freelance graphic designer and a BSc Computer Science student with solid experience in graphic design. I enjoy turning ideas into creative, eye-catching visuals using Adobe Photoshop and Illustrator. I work on a wide range of designs and take pride in my creativity, attention to detail, and ability to adapt to feedback. My goal is always to deliver designs that truly match a client's vision and stand out.

PROFESSIONAL EXPERIENCE

MENTO CONCEPTS

Graphic Design Intern

Created visual content for branding and digital marketing campaigns, including social media creatives and promotional materials, while collaborating with the marketing team and meeting client requirements.

12/2025 – 12/2025

Malappuram, Tirur

Freelance

Graphic Designer

worked with multiple clients to create custom visual designs, including logos, social media creatives, posters, and marketing materials, while managing projects independently, meeting deadlines, and incorporating client feedback.
